

Nam Viet's Export Value in December

Total export value in December reached USD 16.2 million, up 47.5% yoy. In 2018, Nam Viet's export value recorded USD 147.3 million, a 51.3% yoy increase.

Nam Viet's Export Value in 2018 (USD Million)

Navico's net profit after tax in 2018 is estimated to reach VND 600 billion, an increase of nearly 4 times over last year. For 2019, Navico is confident with VND 6,000 billion revenue and VND 700 billion net profit after tax thanks to increasing pangasius supply source from Binh Phu Farming Site and maximize economies of scale.

Update on Nam Viet – Binh Phu Aquaculture Farming Area

On December 15th, Nam Viet – Binh Phu Aquaculture One Member Co., LTD received investment certification for Binh Phu Farming Site with the presence of Prime Minister Nguyen Xuan Phuc. The construction work is to start on January 8th, 2019 and this farm is expected to start operating in the second half of 2019. The total area of this farm site is 600 ha, supplying 200,000 tons of pangasius each year. Total investment for this plan is VND 4,000 billion including high-technology farming site and high quality three-stage pangasius broodstock production site.

Nam Viet Corporation's Analyst Meeting and Site Visit Tour

From December 7th to December 8th, Navico successfully held Analyst Meeting and Company Site Visit at our Head Office in An Giang Province. The meeting attracted nearly 30 analysts from both Securities Companies and Investment Funds. In this meeting, our Chairman shared Nam Viet's development history and future. Besides, we also presented our current business performance and showed our farming area and factories.

Navico's AM meeting on December 7th, 2018
